**St John’s Music**, running throughout autumn, winter and early spring, is a series of Organ and Chamber Recitals (usually on the first Saturday of the month at 1.00 pm) and Concerts (occasional Sundays at 3.00 pm) promoted by the Kirk. It aims to showcase the best of local music-making and to provide a platform for the many talented performers who live in and around Perthshire as well as other musical friends from further afield.

In addition the Kirk often plays host to professional ensembles within Scotland (Dunedin Consort, Scottish Ensemble, Ludus Baroque etc), Perth Chamber Music Society and a wealth of internationally renowned soloists, as well as amateur choirs and ensembles from the region.
